303 Norfolk Ave. SW Roanoke
Saturday November 5, 2016 6pm until 10pm

You won't want to miss this "Jazz Age Roaring Twenties" themed party paying tribute to a time of decadence, lavish parties and prosperity that America enjoyed in the 1920's. Enjoy socializing with other conference attendees while enjoying great food, drinks, craft beer & wine (2 complimentary drink tickets provided), live music and dancing. The "360 Band" will be playing music from all around the radio dial, featuring smooth harmonies, wide instrumental variety and lots of fun! The unbeatable backdrop of the Transportation Museum will fascinate you as well with all their planes, trains and automobiles and other intriguing exhibits. The combination cannot be beat! We'll have a few surprises thrown in to make sure you have a great time and even a few "mementos" to get you in the mood and make your night complete. If the mood strikes join in the extravagance with your best 1920's apparel. Our special thanks to Landscape Supply Inc. for their generosity in making this evening possible. Remember to bring your I.D.
