Why should I attend the VRPS Annual Conference?

Each year VRPS members and friends gather for the Annual Conference. This educational exchange provides an opportunity for professionals, students, and exhibitors to discuss trends and areas of common interest. Major speakers highlight the conference in addition to dozens of topical sessions. In addition to the educational aspects, the conference provides opportunities for networking and professional recognition.

Complimentary student registration to the Annual Conference is made possible through a generous educational grant from Foundation of the Virginia Recreation and Park Society. Student membership must be valid at time of conference registration and through month-end of the conference. Students must be enrolled FULL-TIME in a college or university to qualify. Visit VRPS.COM for more information, to become a member, or register for the Annual Conference.
