- No walk-ins are allowed for the course or exam.
- The exam is administered on the third and final day of the course.

## About the Course

According to the Consumer Product Safety Commission, it is estimated that each year over 200,000 injuries occur on playgrounds and 70% of these occurred at public parks and schoolyards.

Sponsored by the National Recreation and Park Association this CPSI course is the most comprehensive training program on playground hazard identification and risk management methods offered anywhere. **Advanced reading and fifteen hours of training from nationally known playground safety experts will prepare participants** to sit for the Certified Playground Safety Inspector examination offered at the culmination of the certification course.

### Program Highlights:

- Hazard Identification
- Safety Surfacing Materials
- Playground Equipment Accessibility
- Safety Management
- Audit Objectives & Procedures
- Maintenance Procedures & Standards
- Off-site Park Visit

*Plan your registration and payment accordingly: A minimum of 3 weeks of study time is recommended; NRPA advises not to take the exam if materials have not been thoroughly read.*
