

Facebook & VRPS Website

“Like” the VRPS Central Service Area on Facebook

If you have a Facebook account simply search for VRPS Central Service Area and we should come up as a page. Click to “Like” our page and whenever the CSA posts about socials, meetings or conference information the update will show up in your news feed.

CSA Page & CSA Forum

To Access CSA page

1. Navigate to www.vrps.com
2. Click on brown tab titled “About Us”
3. From the drop down menu click “Service Areas”
4. From the drop down menu of service areas, click “Central Service Area”
5. You are now on our site that features the information about upcoming meetings, a record of past minutes and the current CSA board

To Access CSA Forum

1. Navigate to www.vrps.com and Login
2. Your username is your work email; there is a password retrieval system
3. Once you Login the screen should read “Welcome (insert your name here)!”
4. Click on brown tab titled “Services”
5. From the drop down menu of services, click “Forums”
6. Now scroll down and click the yellow file folder titled “Central Service Area”
7. Once inside our forum, check the box next to “Click to subscribe to this forum”. This will keep you updated on what people post through your email.
8. Check out my post titled “CSA Socials” and add a reply!

Why use a Forum?

An Internet forum is an online discussion site where people can hold conversations in the form of posted messages. In our forum we can hold discussions regardless of the geographical boundaries of our service area. These online conversations can help us improve the CSA and share good ideas among the service area.
