

Eastern Service Area

Sponsored Membership Application

The Eastern Service Area of the Virginia Recreation and Park Society will be offering sponsored professional and student memberships in an effort to promote involvement with VRPS. Candidates will be required to submit a completed application accompanied by a letter of recommendation from a current VRPS member in good standing. Previous or current involvement with VRPS/ESA is not required.

Preference will be shown to applicants who have not previously received a sponsored membership benefit from ESA. Applications will be reviewed by a panel. Candidates selected for sponsored membership will be expected to attend ESA meetings and/or fundraising events throughout the year.

Applications are due no later than August 28 and should be submitted to the ESA Chair-Elect, Mark Palamarchuck, at palamarchuckm@portsmouthva.gov.
