The following are the final results for the participants from Virginia that competed in the North American Final meet held on August 4, 2012. The children who qualify within their respective age group to participate in these finals are some of the top athletes throughout all of North America. In all running events, except the 800 and 1600 Meter Runs, there are only 8 final participants. In some of the field events, as well as 800 and 1600 Meter Runs, there were as many as 15 athletes competing.
