Sport	<i>Softball Hit and Throw</i>
Events	Measuring the distance a softball is hit off of a tee and the distance a softball is thrown.
Dates & Times	Thursday, May 17, 9:00 a.m.
Location	Glen Allen Softball Complex 2175 Mountain Rd. Glen Allen, VA 23060
Contact Person	Elbert Grinnell Phone: (804) 652-1421 Email: gri10@henrico.us
Format of Event	Competition will be in men and women's divisions with age categories. Softball hit and softball throw scores will be combined as one event for awards. The organizer reserves the right to change the format for any age division based on entry numbers, space restrictions, or any other circumstances.
Rules	Section 1 - Softball Hit 1.1 The softball-hitting contest will be judged on distance only. Each competitor will be allowed one practice hit, followed by three competition hits. 1.2 Distance will be measured at the spot the ball hits the ground from the air. It will be measured in feet and inches. 1.3 The hitting area will be outlined by foul lines. Any balls hit outside the foul lines will be scratched and given no score. 1.4 A batting tee will be used during the softball hitting competition. A ball will be placed on the tee and competitors must take their swings from a stationary position. No running or unnecessary advantages allowed. Section 2 - Softball Throw 2.1 The throwing competition will be judged for both distance and accuracy. Each participant will be allowed one practice throw followed by three competition throws. 2.2 A designated line and marker location where competitors must release the ball. Stepping on or crossing over the line before or while releasing the ball will result in a no score for that particular throw. 2.3

A straight line will be laid out in the throwing area for purposes of measuring distance and accuracy.

2.4

The throws will be measured by total distance thrown from where the ball hits the ground minus the distance the ball lands from the distance and accuracy line. Throw will be measured in feet and inches. For example: if a participant throws the ball 140 feet, but it is 10 feet away from the distance and accuracy line, his throw would be 130 feet.

Section 3 - Scoring

3.1

Hitting and throwing scores will be combined to determine the winners.
